Classes of years ending in "6" are to be honored, beginning with the class of 1906.

1966 Demons Work Hard, Hope For Improved Record On Grid

If hard work, blood and sweat make a good football team, Northwestern should field a champion this season.

The Demons, 75 of them, reported for fall practice sessions Sept. 1, and jumped right into two-a-day workouts under a blazing summer sun.

"Our boys reported in top physical condition," says head coach Jack Clayton. "We had to spend very little time on conditioning this year."

Hoping to improve on a 5-4 record and fourth place finish in the Gulf States Conference last year, Northwestern will be sparked this season by the return of 24 lettermen.

An explosive team offensively, Northwestern opens the season Sept. 24 against Louisiana College at Demon stadium. Game time is 7:30 p.m.

Leading the way when the Demons have the football will be sophomore quarterback Donald Guidry, a 170-pounder from Church Point. With 10 touchdown passes to his credit last

year as a freshman, Guidry has been classed by many coaches as "the best quarterback in the GSC."

And when Guidry throws them, Northwestern will have capable hands waiting to receive them. Dick Reding, All-GSC last season, is one of the best ends in the league. Louis Richard, who will start at the other offensive terminal post, is an outstanding receiver and has looked good in practice sessions.

The Northwestern running game could be the best since the days of Charlie Tolar. At fullback will be Russ Gielow, a 6-foot-5, 220 pounder who excited fans at the spring game last year by scoring three touchdowns and averaging better than eight yards a carry.

Halfbacks Neal Prather and Gary Pittman are another pair of fine running backs and will help make the Demon ground game powerful enough to loosen up the opposition for Northwestern's devastating passing attack.

Among the outstanding offensive linemen in the Demon camp are Ross Gwinn, David Arnold, Eddie Mittelbronn, David Dawson, and Randy Brodnax.

Clayton has said repeatedly this season that the defense has been spectacular in practice sessions.

The Demon defenders completely bottled up the offensive unit's passing game on several occasions during workouts behind the sparkling secondary play of All-American Al Dodd, and halfbacks David Smith and Sammy Clifton.

Ronnie Whately and Carroll Long were praised for their work at linebacker posts, and Dick Concilio has looked good at the monster position.

Gerald Malley drew favorable comments from the coaches — "one of the best defensive guards I've ever coached," said Red Phillips.

Defensive end play will be improved this season. Probable starters are David Lovich, Mississippi State transfer, and Herbert Adams. Mike Creel has looked good at tackle, as has Paul Alonzo, an LSU transfer.

Northwestern's first conference game is Oct. 1 against Northeast at Monroe.

Ropp, Former Airline Coach Joins Demons

John Ropp, head football coach at Airline high school in Bossier City for the past two years, has joined the Northwestern grid staff as offensive line coach.

A former Northwestern football star, Ropp has been coaching for 11 years. He guided Airline to a 9-1-1 record last season and a 4-6 mark the year before. The school did not open until 1964.

The only game Ropp's team lost last year was a 21-20 thriller to Woodlawn. Airline's tie was with Fair Park, 20-20.

Hopp, who played fullback at Northwestern from 1949 until 1951, began his coaching career at Davidson High of St. Joseph in 1954. After a year there, he moved to Plantation Park elementary in Bossier City. He coached at Rusheon junior high in Bossier for eight years before going to Airline.

A native of Natchitoches, Ropp received his master's degree from Northwestern in 1958. He was a four-sport letterman at Natchitoches High, where he was graduated in 1948.

Ropp is married to the former Quincy Lincecum of Bossier City. His wife is also a graduate of Northwestern.

reer as a teacher and coach at Jonesboro-Hodge high school, continuing until 1951 when he joined the Northeast State faculty.

A graduate of Eros high school, he attended Northeast Junior College before completing his undergraduate degree at Northwestern. He earned his master's and doctorate degrees from LSU.

The Kilpatricks have a daughter, Lael, 14, and a son, Young, 10.

Name John Thompson NSC Track Mentor

John Thompson, 1949 graduate of Northwestern, has been appointed head track coach, effective in January.

A wingback on the Demon football squad during the late 1940's, Thompson went to Winnsboro High School after graduation as teacher and coach. He later entered the service where he coached football for one year.

After two years with the 4th Infantry Division, Thompson went to Crowville high school and then to Lake Charles high school where he was an assistant for five years.

For the past eight years, he has been turning out powerful track and football teams at Mansfield. His 1965 grid team was runner-up for the state title, and two of his track squads have won state championships, and they have taken second and third place honors once.

This marks the first time Northwestern will have a full-time track coach. Thompson will replace Slim Howell, who resigned as track coach and assistant football mentor last spring to become a full-time teacher in the physical education department.
